PASSAGE OF FOREIGN DEBT BILL PREDICTED

Republican Leaders Confident That Refunding Measure Will Go Through in Form Advocated by Administration—Attacks Renewed by Both Republican and Democratic Senators—Test of Strength.

Washington, Jan. 27.—Passage of the foreign debt refunding bill, today, in the form advocated by the administration was predicted by Republican leaders when the senate resumed consideration of it.

Attacks on the measure were renewed by Republican and Democratic senators who are opposed to authority to handle the \$11,000,000,000 foreign indebtedness in the United States being placed in a commission of five, headed by Secretary of the treasury, without congress having complete jurisdiction in the matter.

Other objections raised by them to the bill is its failure to provide for payments of interest within certain specified periods, and for an early liquidation of both principal and interest by nations like France, which are engaged in maintaining extensive

BANDITS SHOOT BANK CASHIER AND ESCAPE WITH \$100,000

Crafton, Aristocratic Suburb of Pittsburgh, Scene of Bold Robbery Friday Morning—Detectives Engage Men in Pistol Battle.

Pittsburgh, Pa., Jan. 27.—Loot estimated by a bank official at \$100,000 including \$80,000 in liberty bonds, was taken by five heavily armed bandits who entered the First National Bank of Crafton in mid-forenoon today. Crafton is an aristocratic suburb. Assistant Cashier H. T. Moss, who resisted the robbers, was shot through the head and is dying.

The bandits hastily fled in an awaiting automobile outside the bank. Later they engaged in two hot gun battles with police and city detectives in the Allegheny section of Pittsburgh and although the building in which they had taken refuge was surrounded, the police reported at 11 o'clock that the bandits had shot their way out and again escaped. A huge man hunt is in progress.

Shortly after 10 o'clock city detectives attempted to stop an auto-

THREE BIG BANKS OF CLEVELAND JOIN IN MERGER PLAN

Action Creates One of Largest Institutions in United States

Cleveland, Jan. 27.—Through the merger of the Cleveland Trust Company, Lake Shore Banking and Trust Company, and the Garfield Savings Bank, under the corporate name of the Cleveland Trust Company, Cleveland will have the fifth and sixth largest trust companies in the United States, it was said today by officials of the bank.

The new Cleveland trust company will have total resources amounting to \$165,000,000, and with the Union Trust company, with its \$260,000,000 resources will give this district unexcelled facilities for financing large projects.

Fred H. Goff, president of the Cleveland Trust, becomes president of the merged concerns and most of the officials and directors of the other banks assume official relations with the consolidated concern.

FESS STILL SILENT REGARDING SENATE

Akron, Jan. 27.—"I will not have a definite announcement to make regarding my candidacy for the United States senate until the latter part of March or early in April," said Congressman Simeon D. Fess on his arrival here today to speak at the state bar association. "There is still plenty of time to decide," said the congressman from Yellow Springs. Fess is generally conceded to be a contender for the senatorial toga along with Theodore Burton and several others.

NELLIE BLY DIES FOLLOWING ILLNESS

New York, Jan. 27.—Nellie Bly, in private life Mrs. Robert L. Seaman, one of the special writers on the staff of the Evening Journal died today, of pneumonia in St. Marks hospital. She became ill two weeks ago and shortly afterwards was taken to the hospital from her rooms in the Hotel McAlpine. She sank steadily and yesterday no further hope was held out for her recovery.

INSURES HIS DOG FOR 100 DOLLARS
Fort Pleasant, W. Va., Jan. 27.—To assure his dog adequate burial, George Lewis, hotel employe here obtained an insurance policy for \$100 on its life.

The canine, a rat terrier will be buried with Lewis when he dies, according to the latter's will "Who one dies, the other dies" said Lewis.

BELIEVE NEXT POPE WILL BE ITALIAN DESPITE REPORTS

Conclave of Cardinals is Next Important Step in Ceremonies.

Rome, Jan. 27.—Mas, for the repose of the soul of the late Pope benedict XV who was buried yesterday below the basilica of St. Peter was celebrated this morning in the Sistine chapel.

The next important step in the state ceremonies of mourning and of filling the chair of St. Peter is the formal calling of the conclave of cardinals, which will elect a new pope.

There is no confirmation as yet of the report that the conclave will be postponed to enable the American cardinals and other cardinals coming from far away places in time to reach here.

Already 41 cardinals are in Rome and it is expected that by Sunday night about 50 will be here. While one newspaper spoke of the possibility of Cardinal O'Connell being elected the general belief was that the next pontiff will be an Italian.

WEEKS IS URGED TO APPROVE PLAN

Washington, Jan. 27.—Secretary of War Weeks was asked today by Senator Underwood, Democrat, of Alabama, to give the approval of the war department to Henry Ford's offer to take over the government nitrate plants and water power project at Muscle Shoals, Alabama, when the Ford contract is submitted to congress next week.

"While I don't think the secretary will give an unqualified endorsement to Ford's proposition," Underwood said after his conference with Weeks "I am quite sure it will be a friendly endorsement."

U. S. Tells Europe She Must Reduce Military Establishments To Get Aid

America Makes Informal Reply to Representations of British and Italians, Seeking to Get this Country to Reconsider Its Decision Against Entering Genoa Conference.

Washington, Jan. 27.—While the armament conference marked time all along the line today awaiting word from Tokyo and Peking, which will permit finishing up details, efforts were renewed in British and Italian quarters to have the United States reconsider its decision against entering the Genoa conference.

Officials of the government have been informally assured that the United States can select its own date for the economic parity and that if the date already set, March 8, is too early, the Italian government will recall the invitations issued and fix a later date for the meeting.

Both British and Italian spokesmen in Washington have made it clear to American officials that they consider American participation in the Genoa meeting absolutely necessary to its success.

Emphasis has been laid upon the desire for America's "moral influence" in the meeting. The British and Italian spokesmen have said that America is the only nation that could successfully engineer the armament conference and with the record of its accomplishments already written, an American delegation could enter the Genoa meeting and wield tremendous influence for the pacification of Europe's troubles.

EXPECT TO WRITE CHECKS SATURDAY

The fact that 699 applications for soldiers' adjusted compensation have been filed must not be construed to mean that no more blanks will be filled out according to American Legion officials here.

Since the daily campaign held here to fill out all blanks of ex-service men in the county, more have been coming in daily, some have neglected to have their application filled out, and others by mail.

Word from Columbus says that warrants to be used by the state adjusted compensation headquarters in paying soldiers' bonus have arrived at the State House and that the writing of the checks will start Saturday.

POLITICS WILL BE ENTERED BY U. S. FARMERS

Delegates Attending Agricultural Conference Hint of More.

NO THIRD PARTY ATTITUDE DUE TO FAILURE TO REMEDY PRESENT CONDITIONS.

Washington, Jan. 27.—Plain warning that the American farmer intends to dabble in politics on an extensive scale was openly conveyed to the country today, by delegates attending the national agricultural conference.

The farmer has no intention of organizing a third major party but he does opine that he will make his vote felt. His attitude, according to the farmer delegates, is due largely to the failure to remedy his condition and the belief that the panacea for his ills is still far in the shrouded future.

Not all the delegates here are satisfied that the conference will make the farming industry more remunerative and attractive. Claim has been publicly made that the "real dirt farmer" has not had a chance to make his needs known.

There are the men responsible for the warning given. They promise that the farmer vote will "clean house" in congress and that the electoral vote of the man behind the plow will be felt in every legislative hall in the country.

RUSSIA IS STILL ENEMY OF EUROPE

Berlin, Jan. 27.—Although soviet Russia is anxious to mingle with the allied powers in the proposed economic conference at Genoa, she is still the enemy of bourgeois Europe, according to a speech by Leon Trotsky, Russian commissar for war.

OVER 300 PRIESTS TO ATTEND MASS

Cleveland, Jan. 27.—More than 300 priests from all parts of the diocese are expected to be present Monday at St. John's cathedral, when pontifical requiem mass for the late Pope Benedict will be celebrated by Bishop Joseph Schrembs.

During the absence of Bishop Schrembs in Washington, Monsignor T. C. O'Reilly is making all preparations for the event.

"WAR NEUROSIS" BELIEVED RESPONSIBLE FOR TESTIMONY AT WATSON HEARINGS

Washington, Jan. 27.—"War neurosis" probably will figure in the testimony being taken by the special senatorial committee on the charges of Senator Watson, Democrat of Georgia, that soldiers were executed illegally in France, according to an announcement made today.

Senator Brandegee, Republican, Connecticut, the committee chairman said he was considering calling several psychiatrists to pass on the validity of the statement of a number of witnesses who gave startling and much disputed testimony.

Among these would probably be some of the witnesses who declared that Major H. L. Ople, of Staunton Virginia, shot his own men in battle and others who swore they saw from three to 12 hangings at le-Sur-Tille while the preponderance of evidence seems to indicate there were only two executions there.

Extreme shock to the nervous system, in some cases due to gasing or "shell shock" or in others to the strain, tension and extreme due to battle is described as being a condition of mind by which the sufferer is subject to hallucinations and honestly imagines things are true which, in fact, never transpired.

ARBUCKLE TRIAL END IS NOT NEAR

San Francisco, Jan. 27.—Despite efforts to speed the case there seemed little probability as the defense drew to a close today, that the second trial of Roscoe ("Fatty") Arbuckle for manslaughter would end before late next week.

Dr. George Franklin Shiele, noted physician and surgeon, who was medical adviser to Attorney Delmar in the first trial of Harry K. Thaw and who was summoned as an expert to testify in the Grover Bergdoll case, was still under cross examination when court convened today. He had been announced as the defense's last witness but issues arising in his testimony may necessitate other witnesses.

CITY EMPLOYEES AFFECTED BY SALARY SLICES PROVIDED IN NEW ORDINANCES PASSED BY COMMISSION THURSDAY

Salary slices representing a saving in the city's operating expenses of \$2,800 a year, and averaging a ten per cent reduction in wages for all employees of the municipal water department and the police and fire departments, were provided in three ordinances passed on their first reading as emergency measures by the city commission, Thursday night.

The new salaries will go into effect, February 1, according to the provisions of the ordinances. Each ordinance was passed with the preface remarks that the salary slashing is in line with the policy of financial retrenchment adopted by the new commission recently when it cut the salaries of such executive officers as the city manager, city solicitor and city treasurer.

Under the provisions of the new ordinance regulating the salaries of police, the title of chief of the department is given to the City Manager who shall serve in that capacity without additional pay, and who shall appoint from the department an officer to be head of the department, another officer to be his assistant. The system of having the city manager as head of the department has been in effect in the fire department for several years.

SIX REGULAR PATROLMEN

The new police ordinance provides for six regular patrolmen in the police department, one who will be head of the department, to receive \$115 a month; one, to be assistant head of the department to receive \$105, and four patrolmen to receive \$100 a month. In addition the ordinance provides for a desk sergeant at night who shall be paid \$65 and relieve Night Chief David Mangano from desk duty, permitting him street duty at night in the future.

All members of the department are to furnish \$1,000 bond. The city manager, as head of the department, is empowered to appoint emergency patrolmen as the occasion demands and at his wishes. The manager is also empowered to appoint or direct the placing of a motor patrolman to serve at the pleasure of the manager, during which time the motor patrolman shall receive \$120 a month, and shall furnish \$1,000 bond. The manager is instructed to appoint one patrolman in charge and one assistant officer in charge. These positions are now held by Chief of Police M. E. Graham and Assistant Chief David Mangano, who is head of the department at night. The manager has not announced his appointments.

CITY MANAGER CHIEF

The new ordinance regulating the fire department, provides, as in the past, that the city manager, shall be chief of the department, and that there shall be five regular firemen, one to act as active head of the department, to receive \$115, an assistant to receive \$100 a month and three regular firemen at \$90 a month. Two substitute firemen are provided by the ordinance, each to

BUSINESS IN SOUTH AMERICA IMPROVES

Akron, Jan. 27.—"Business in South America is getting down to rock bottom." This is the succinct summing up of the situation by E. G. Wilmer, president of the Good Year Company, today, who has just returned from a trip of inspection in various South American countries.

"The rate of exchange is proving a handicap to American dealers he asserted, but there are hopeful signs that even with this handicap, American manufacturers will be able to hold the trade they have established even against rigid foreign competition.

ADVOCATES USE OF TRI-PARTITE FEDERAL BOARD

Measure Suggested as Means of Adjusting Coal Situation.

SENATE HEARS PLAN

Kenyon Offers Program After Study of Mining Industry.

Washington, Jan. 27.—Sanction by congress of an industrial code applicable to coal mining and the creation of a tri-partite federal board to adjust differences between operators and miners "that there may be peace in the coal industry" were recommended to the senate today by senator Kenyon, Republican, Iowa.

Kenyon's recommendations were the result of a study of the mining industry in connection with an investigation by the senate committee on education and labor of trouble between operators and union miners in West Virginia which led to armed outbreaks and bloodshed last summer and finally resulted in the calling out of public interest.

The new agency according to Kenyon's plan would be operated much in the same manner of the United States Railroad labor board, no penalties being provided for violations of the board's orders.

Among the basic principles which should be established as an industrial code for the guidance of such an arbitration board, Kenyon suggested the following:

"1—Coal is a public utility and in its production and distribution the public interest is paramount.

"2—Human standards should be the controlling influence in fixing the wages and working conditions of mine workers.

"3—Capital prudently and honestly invested in the coal industry should have an adequate return sufficient to stimulate and accelerate the production of this essential commodity.

"4—The right of operators and miners to organize is recognized and affirmed.

"5—The right of operators and miners to bargain collectively through representatives of their own choosing is recognized and affirmed.

"6—The miners who are not members of a union have right to work without it by fellow workers who may belong to the union. The men who belong to a union have the right to work without being harassed by operators who do not believe in unionism.

"7—The right of all unskilled or common laborers to earn an adequate living wage sufficient to maintain the worker and his family in health and reasonable comfort, and to afford an opportunity for savings against unemployment, old age and other contingencies is hereby declared and affirmed.

"8—The right of women to engage in industrial occupations is recognized and affirmed.

"9—Children under the age of 16 years shall not be employed in the industry unless permits have been issued under state authority.

"10—Six days shall be the standard work week in the industry with one day's rest in seven. The standard work day shall not exceed eight hours a day.

"11—Punitive overtime shall be paid for hours worked each day in excess of the standard work day.

"12—When a dispute or controversy arises between operators and miner workers, there should be no strike, pending a conference or hearing and determination of the facts and principles involved."

The issue in W. Va., Kenyon said in his report, "is plain and perfectly apparent.

WAY TO PEACE IS SEEN IN ADDRESS OF GERMAN CHIEF

Press Unanimously Endorses Wirth's Plan on Taxation.

Berlin, Jan. 27.—The German press, today, unanimously endorsed Chancellor Wirth's taxation speech delivered in the Reichstag, Thursday afternoon. The speech was regarded as more than an explanation of Germany's new taxation policy. It was called a reply to the declaration of policy recently announced in the French chamber of deputies by Premier Poincare.

A typical headline over the newspaper account of the speech was: "Proper answer to Poincare; way to real peace."

Newspapers expressed satisfaction over the chancellor's declaration that Germany would not surrender to France the so-called "war criminals."

The speech was regarded as a clever political coup disarming the argument of the nationalists that the chancellor was showing a weakness in dealing with France.

The proposed loan of forty billion paper marks from "big business" will bear no interest.

CENTRAL HIGH TO PLAY FAST TEAM FRIDAY EVENING

Basketball experts agree that the Central High School five is taking on one of the smartest court teams in Southern Ohio, when it stacks up against Norwood at the rink, Friday night.

The Cincinnati quintette humbled the haggard Middletown five with little trouble, recently, which has thrown a scare into the camp of the local athletes, as Middletown managed to nose out Coach Katherman's charges by one point here December 23.

However if the locals expect to make any kind of a record on the court this season, they will have to show some speed, and with this in mind, the blue and white tossers are straining every nerve to be in tip-top shape. Using Douthett, Boxwell and Hendrickson at center during this week in place of Lones, who is ill, the team worked smoothly. It is likely that Coach Katherman will start Douthett at center, and switch Vannorsdall to forward with Gegner, leaving Yeakley and Boxwell at the guards.

The program will start at 7:30 with a class game between the Seniors and Juniors.

serve thirteen days, half a calendar month, and receive \$40 monthly. The chief of the department is empowered to employ extra firemen as emergency demands, at the rate of \$1 a run, or not to exceed \$1.50. The manager is empowered to designate one fireman as active head of the department, and another as his assistant. Fire Captain Charles Mahanna is now head of the department but, he has never had an assistant in charge.

The new ordinance affects both office and outside employees of the municipal water department providing for a chief clerk at \$90 a month and an assistant at \$60 a month. The chief pumping station employee shall receive \$125 a month under the ordinance and shall have two assistants at \$55 a month. The foreman of the water service department shall receive \$135 a month in the future and the assistant foreman will be paid \$80 a month. Laborers can be retained by the department at a salary not to exceed \$4 a day according to the provisions of the ordinance.

day night, practically every employee of the city has suffered a salary cut since the new commission took office January 1. At that time salaries affecting certain executive offices amounting to \$1,700, were made. In less than one month's time, since the new commission took office \$4,500 has been lopped off the city's payroll.

In the past the head of the fire department, active, has received \$130 a month, and all other regular firemen \$100 a month, with the substitute firemen receiving \$40 a month. In the police department, the head of the department has received \$130, the assistant chief \$115 and the regular patrolmen \$110. The ordinance regulating the fire department provides for two substitute firemen, although only one is used now. The ordinance, however does not compel the retention of two substitute firemen, but merely empowers the appointment of another substitute, if thought necessary.

The change in the police department is expected to increase the efficiency of that department, as it provides for an extra policeman on duty at night. At present there have been two regular patrolmen on the streets at night, with Assistant Chief Mangan in the office. After Feb. 1, the assistant chief will also have to patrol a beat and a new man will be appointed to handle the desk and police and fire switchboard.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp, that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal-oil).

The inventor, E. A. Johnson, 609 W. Lake St., Chicago, Ill., is offering to send a lamp on 10-day's FREE trial or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

HAINES—GARBER NUPTIALS SOLEMNIZED.

Among the prettiest of weddings during the mid-winter season was that, solemnized Wednesday night, when Miss Mary Esther Haines, daughter of Mrs. Viora M. Haines, of Jamestown, became the bride of Mr. Arthur Sylvanus Garber, son of Mr. and Mrs. O. C. Garber, of Jamestown, the ceremony being solemnized at six-thirty o'clock, at the home of the bride's mother, in the presence of over seventy relatives and friends of the couple, Miss Bertha Day, pastor of the Jamestown Friends Church officiated at the service.

The rooms of the Haines home were handsomely decked for the ceremony, in a profusion of pink and white roses, and white narcissi, arranged in bouquets about the home, combined with potted plants and ferns.

The altar, before which the ceremony was solemnized, was arranged in the living room, and formed by palms and ferns, combined with roses and narcissi, which were placed on each side. Preceding the ceremony, Miss Ruth Hough, of Dayton, sang "I Love You Truly" playing her own accompaniment, and blending into the wedding march.

Little Miss Marjorie Garber, sister of the bridegroom entered first, dressed in a dainty frock of pink, and carrying a white rose, in which the ring was placed. The bride and bridegroom, entered alone. The bride, a charming girl, wore for her marriage a gown of white georgette, over white charmeuse, and carried a bouquet of pink and white roses.

After the ceremony, a two course dinner was served the guests. Seated at the bride's table, were the pastor, Miss Day, Miss Julia Haines, Mr. Claude Jack, of near Xenia, Mr. and Mrs. O. C. Garber, Miss Marie Garber, Mr. Emmitt Ellis, Miss Ruth Hough, of Dayton, Mr. B. K. Gantt, of Dayton, Miss Helen Ary, Mr. Chester Garber, and Mr. and Mrs. Aaron Warren, of Xenia.

The table was prettily decorated, streamers of pink and white, leading from the chandelier to each of the four corners, while two large baskets of narcissi, were placed at each end.

Mr. and Mrs. Garber, are now at home at the home of the bride's mother, at Jamestown, until spring, when they will go to housekeeping.

MASONIC PARTY LARGELY ATTENDED

Two hundred and fifty people, members of the Masonic Lodge, and their families, attended the large "get-together" meeting, held at the Knights of Pythias Castle Thursday evening, for the program and dance.

Oscar E. Gilmore, of Dayton, who was to have been the principal speaker of the evening, was unable to be present at the meeting, due to the fact that the machine, containing the Dayton party, met with trouble on the Dayton-Xenia pike, while on the way to this city.

Amos E. Faulkner, presided at the program, during the forepart of the evening, making a few remarks in place of the address to be given by Mr. Gilmore, and introduced the Masonic quartette, composed of Dr. A. B. Kester, D. D. Jones, Karl Habb and L. A. Wagner, which sang several selections, accompanied by Mrs. J. C. Denham.

Several numbers were given by the Shumacher orchestra, of Springfield, who played for the dancers. At ten o'clock lunch was served in the banquet hall. The remainder of the evening was spent in dancing, and cards.

ENJOYABLE MEETING HELD BY SOCIETY

One of the most enjoyable of the year's meetings of the Missionary Society of the Presbyterian Church, was held, Wednesday afternoon at the home of Mrs. Paul D. Espey.

The meeting opened with the devotion led by Mrs. Addison Ledbetter followed by a review of the mission study book, "The King and the Nation," given by Miss Flora Nisbet. A review of another book which the members will study, "Unfinished Business" was given by Mrs. Harry D. Smith.

Mrs. Espey was assisted during the afternoon by Mrs. Charles Henrie and Mrs. John McClellan, twenty-five women being present at the meeting. A refreshment course was served by the hostesses.

LODGE MEMBERS ENTERTAINED THURSDAY.

Mrs. Amos E. Faulkner, assisted by Mrs. Matthew Coulter, and Mrs. Russell McPherson, delightfully entertained the members of Obidient Council, No. 160, Daughters of America at the home of Mrs. Faulkner, Thursday afternoon.

After the business of the club was transacted, Mrs. Ray McElfresh, Mrs. Elmer Wood, Mrs. McPherson and Mrs. Faulkner, each entertained the guests with a piano solo, after which Mrs. Faulkner sang several selections. A delightful refreshment course was served. Thirty-seven members were present during the afternoon.

GIVEN SURPRISE BY SCHOOLMATES.

Little Miss Julia Ashbaugh was given a surprise at her home on Hill street, Wednesday evening, when eleven of her schoolmates called. The evening was spent in a merry fashion, games and music being enjoyed. SELLING PROBLEMS OF 1922 STRESSED

William S. Groom, of Cincinnati, a representative of the J. Walter Thompson Company, Advertising Agency, of Cincinnati, was the principal speaker at the Rotary Club meeting, following a luncheon at the Elk's Club, Friday.

Mr. Groom dwelt upon the selling problems for the year 1922 in his address which was well received by the club members. Four visitors, P. B. Yockey, William Orblison, W. C. Craig and James Wilson Third were present at the meeting.

COMMUNITY CHEST DRIVE PASSES THE 3 THOUSAND MARK

The Xenia Community Chest campaign has passed the \$3,000 mark according to the reports at luncheon at the Elk's Club at noon, Friday.

At that time the executive committee was able to report a total received to date of \$3,009.34, which puts the fund within reach of one-third of the amount sought for as the goal of achievement.

The minute hand of the big dummy clock on the Court House lawn has recorded movements daily since the campaign started. The campaign workers, Friday, set out with a view to calling on all their prospects in a final attempt to swing the result somewhere near the total amount asked before the campaign is supposed to close Saturday night.

New reports made, Friday, included a donation of \$17.50 from the Spring Hill school Mother's Circle, an addition of \$80 to the fund from the business men, \$33.50 from the Women's clubs funds and \$100 more from the church funds.

FOUND GUILTY IN LOCAL COURT ON FORGERY CHARGE

William M. Nichols, indicted for forgery was found guilty of the charge by the petit jury in Common Pleas Court, Friday morning.

The taking of testimony in the case was concluded in short order, there being few witnesses on either side. Nichols is accused of having forged the name of A. L. Fixx, farmer of the New Burlington pike, to a check which he attempted to pass on George Baldwin, at the Central Taxic and Garage company.

Baldner doubted the validity of the check and Nichols was arrested by Chief of Police Graham. He was bound over from police court and indicted by the grand jury at its January term, the indictment being the only one returned by the jury.

He is given three days by the Court in which to file a motion for a new trial or a motion in arrest of judgment. Nichols was represented by Attorney Frank Dean while Prosecutor J. Kenneth Williamson prosecuted the case for the state.

TAKE STEPS TOWARD LOWER FREIGHT RATES

Columbus, Jan. 27.—Steps toward reduction of freight rates on shipments of building materials in Ohio were taken today by the state utilities commission when it ordered Ohio railroads to reduce their rates 25 per cent on intrastate shipments of vitrified sewer pipe, fittings, chimney tops, chimney top bases, chimney bonnets, chimney flues, chimney pipes, timbles, flue rings and wall coping.

FORD ANNOUNCES CUT ON TRACTORS

A wire received Friday afternoon from Detroit, by the Bryant Auto Sales, in this city, announced a reduction of Ford tractors, to \$395, f. o. b. Detroit, a reduction of about \$200 in the old price.

The new price places the tractor on the lowest standing that it has ever reached. The tractor during war times, sold for around a thousand dollars at the price before reduction being \$625. Optimism is expressed in the wire, which stated that the Ford plants at Detroit expected "business to be even greater than heretofore."

BLOOM RESIDENCE DAMAGED BY FIRE

Fire which broke out in the roof of the Karl B. Bloom home on North Galloway Street, shortly after two o'clock, Friday afternoon caused small damage.

The fire is believed to have started from a spark from the flue, the flames burning a hole in the roof and working their way into the attic before firemen extinguished the blaze. The interior of the house was not damaged.

BELIEVED IMPROVING
Word has been received in this city from Mrs. F. O. Ross, who was called to Annapolis, Md., Sunday, where her son, James Merle Ross was operated upon that morning for acute appendicitis, that upon her arrival she found her son improving. While Mr. Ross is still in the hospital at the U. S. Naval academy, where he is an ensign, no serious complications are thought to result.

ANTIOCH NOSES OUT WILMINGTON TEAM

When Chance's attempt from the free throw line hit the rim and rolled off, Wilmington College basketball team lost to the Antioch College quintette by the score of 23 to 22 at Wilmington, Thursday night.

The whirlwind game kept the fans on their toes from the start and furnished one of the best exhibitions of the court game ever seen at the Quaker school this season. A foul goal by "Fuzzy" Vannorsdall, former Central high star of this city, scored the winning goal for Antioch when Chance missed his opportunity to tie the count.

The Quakers got away to a good start and held the lead for five minutes. Antioch then forged to the front and was never headed until the last three minutes when Wilmington tied the score at 22 points. Antioch had a 14 to 8 lead at the end of the half. The game was somewhat rough, Coach Jerry Katherman, of Central High, who refereed, calling a number of fouls on Wilmington. Vannorsdall's accuracy in making the free throws, kept his team in the lead. He dropped in nine out of 11 chances.

Unless Antioch agrees to play the Borings here Wednesday night for the benefit of the Community Chest campaign fund, Coach Prugh's men will not play again until Feb. 8, when they meet Wilmington at Yellow Springs. Next week is examination week at the Yellow Springs school. Lineup and summary:

Antioch—23 Wilmington—22
Vannorsdall L. F. Dodd
Corry R. F. Chance
L. Northup C. Kurtzhaltz
C. Dawson L. G. Woods
D. Northup R. G. Doughman
Substitutions: M. Dawson for L. Northup. Nowald for Chance. Field goals: Corry 3, M. Dawson 2, L. Northup 1, Vannorsdall 1, Kurtzhaltz 4, Nowald 2, Woods 2, Chance 1, Dodd 1. Foul goals: Vannorsdall 9 out of 11, Kurtzhaltz 2 out of 7. Referee: Katherman, Ohio Northern.

FINLEY M. TORRENCE IS RE-ELECTED TO FORMER POSITION

Cincinnati, Jan. 27.—The convention of the Ohio Retail Lumber Dealers Association held its final session at the Gibson Hotel today with 1,500 delegates in attendance.

Officers were chosen as follows: L. P. Lewin of Cincinnati, re-elected president; W. H. Schneider of Canton O., vice president; C. C. F. Sieving of Toledo, treasurer; H. A. Kilmer of Oak Harbor, director at large, and Finley M. Torrence, of Xenia, secretary.

Heed The Danger Signals!

If we are not "fit as a fiddle" in the morning; if we don't feel better than when we went to bed; if our breath is offensive and we have that bad taste in the mouth, Nature has set the danger signals for us and we cannot afford to neglect the warning that she gives.

Probably eighty per cent of all diseases originate in the digestive organs, so it is evident that if we have stomach trouble, however slight, we are foolish indeed if we do not take prompt steps to correct it.

Stomach trouble is almost always followed by a complication of diseases. One of the first being an over-worked liver, with all the symptoms of biliousness, followed in turn by headaches, coated tongue, dizzy spells, pain in the back, palpitation of the heart and other distressing symptoms.

Sooner or later the kidneys will become involved and that is just why these danger signals should be heeded in time. A wise man puts out the fire before there is too much destruction. The same theory should apply to stomach trouble.

The American people have learned that Tanlac probably provides the surest, safest and quickest remedy for all such troubles, and millions upon millions have taken it with the most astonishing and gratifying results.

That is the reason for the phenomenal success of Tanlac and that is why it is proclaimed the world's GREATEST TONIC.

Tanlac is sold in Xenia by Sayre & Hemphill, and by leading druggists everywhere.

U. S. TO DECLINE SEAT AT GENOA.

President Harding and Secretary Hughes are agreed the United States will not accept, at this time, Europe's invitation to participate in an economic conference at Genoa.

It will be time enough, Administration leaders believe, for the United States to undertake further engagements later on in the year; for example, after Europe generally and France especially have taken the essential steps to so adjust their budgets as to give some assurance of trying to help themselves.

The view attributed to the President is that it were better to conclude the whole business of the Washington Conference before undertaking any new conference engagements. The White House holds ratification of the Hughes treaties as essential to a "proper conclusion" of the arms parity.

After the Senate shall have given its approval to the work of America's own conference, it will be time, the President was said to believe, to consider further commitments.

There must be a material clearing of the European atmosphere before the Administration will send an American economic delegation across the Atlantic.

Statements contained in the report of the Inter-American High Commission, written by Secretary Hoover, were regarded as a frank warning to France that she must recognize her own economic responsibilities; that she must reduce her armies and balance her budgets. There is not the slightest doubt, among Republican Senators that Mr. Hoover was sounding the first gun in the Harding Administration's campaign to bring allied nations to their senses before expecting the United States to go 3000 miles across the sea to lend an economic helping hand.

JAMES BRYCE.

Few men who have entered public life in any land at any time have left a record of unselfish service comparable with that of James Bryce. America in particular has lost her best friend outside the United States among the English-speaking peoples. No man has written a better book on our civil policy than "The American Commonwealth." It is a book not superseded by later and longer works. When he came among us as Britain's official representative he endeared himself to a degree no other emissary has approached, for, although he was candid and not truculent, he liked the Americans and made the liking plain.

The versatility of Bryce's interests was as phenomenal as his industry was prodigious. The amount he knew about the earth we live in was amazing. Incessantly he asked questions—and hence could answer them. Whoever heard him speak in public was conscious at once of a high-mindedness that was never cold aloofness. His word was trusted. Men knew he had nothing to make from his epousal of a cause. He gathered the facts about the German invasion of Belgium and presented them irrefutably. He did the same thing for the hideous crimes perpetrated by the Turks upon helpless Armenia.

Profound scholar that he was, he was first the humanist. He shed the light of a splendid intelligence and an enormous erudition on any subject he discussed. To the last days of "an old age serene and bright and lovely as a Lapland night" he never showed the senile garrulity of one who lives in a past time and finds nothing of today to praise; but in his mental operations he was eager and fresh and young.

It is a noble figure that he presents for the admiration and the emulation of posterity. It was a life crammed with accomplishment, stainless in probity, exemplary in service.—Public Ledger.

STUDY THE CONSTITUTION.

By Dr. Merrill E. Gates.—It is no small thing to be a citizen of the world's greatest republic! It is a great responsibility to be a voter here. You want to know your privileges and your power as an American voter; and you want to know your duties and responsibilities, as well as your rights under the Constitution. Think them out, for yourself, as you read and study the clear provisions of our great fundamental law. We cannot all be learned constitutional lawyers. But every American citizen, man or woman, young or old may have and should have an intelligent idea of our form of representative government "of the people, by the people, for the people." Every one of us should know and should value the security it guarantees to each of us in guarding for us our enjoyment of "life, liberty, and the pursuit of happiness."

Let each one of us have a copy, of our title-deed to our rights as American citizens. Let us read, think about, and discuss with our friends, the Constitution which is the charter of our national life. Study its principles. Know it! Then we shall love it! Do not fancy that you can play well the great game of American life, without knowing the Rules of the Game! One flag, one country, one nation! Let us love our own country, honor our own flag! Not for us the red flag of a false and anarchistic internationalism; but the Red, White and Blue for which our fathers and brothers and sons have died; under which, please God, we will live, and for which, if need be, we will die—faithful to the brotherhood of the whole human race, by being first of all faithful to our own home, our own family, our own community, and to the land we love!

STRAINED KISSES.

A Huntington, (W. Va.) doctor wants the city officials to pass an ordinance to compel all kissing to be done through a medicated screen in order to prevent the transmission of disease. He is said to have invented a handy little device which looks quite a little like a fly swatter to be used for the purpose of straining kisses. He reports that the use of it in his family has not taken the kick out of osculatory salutes.

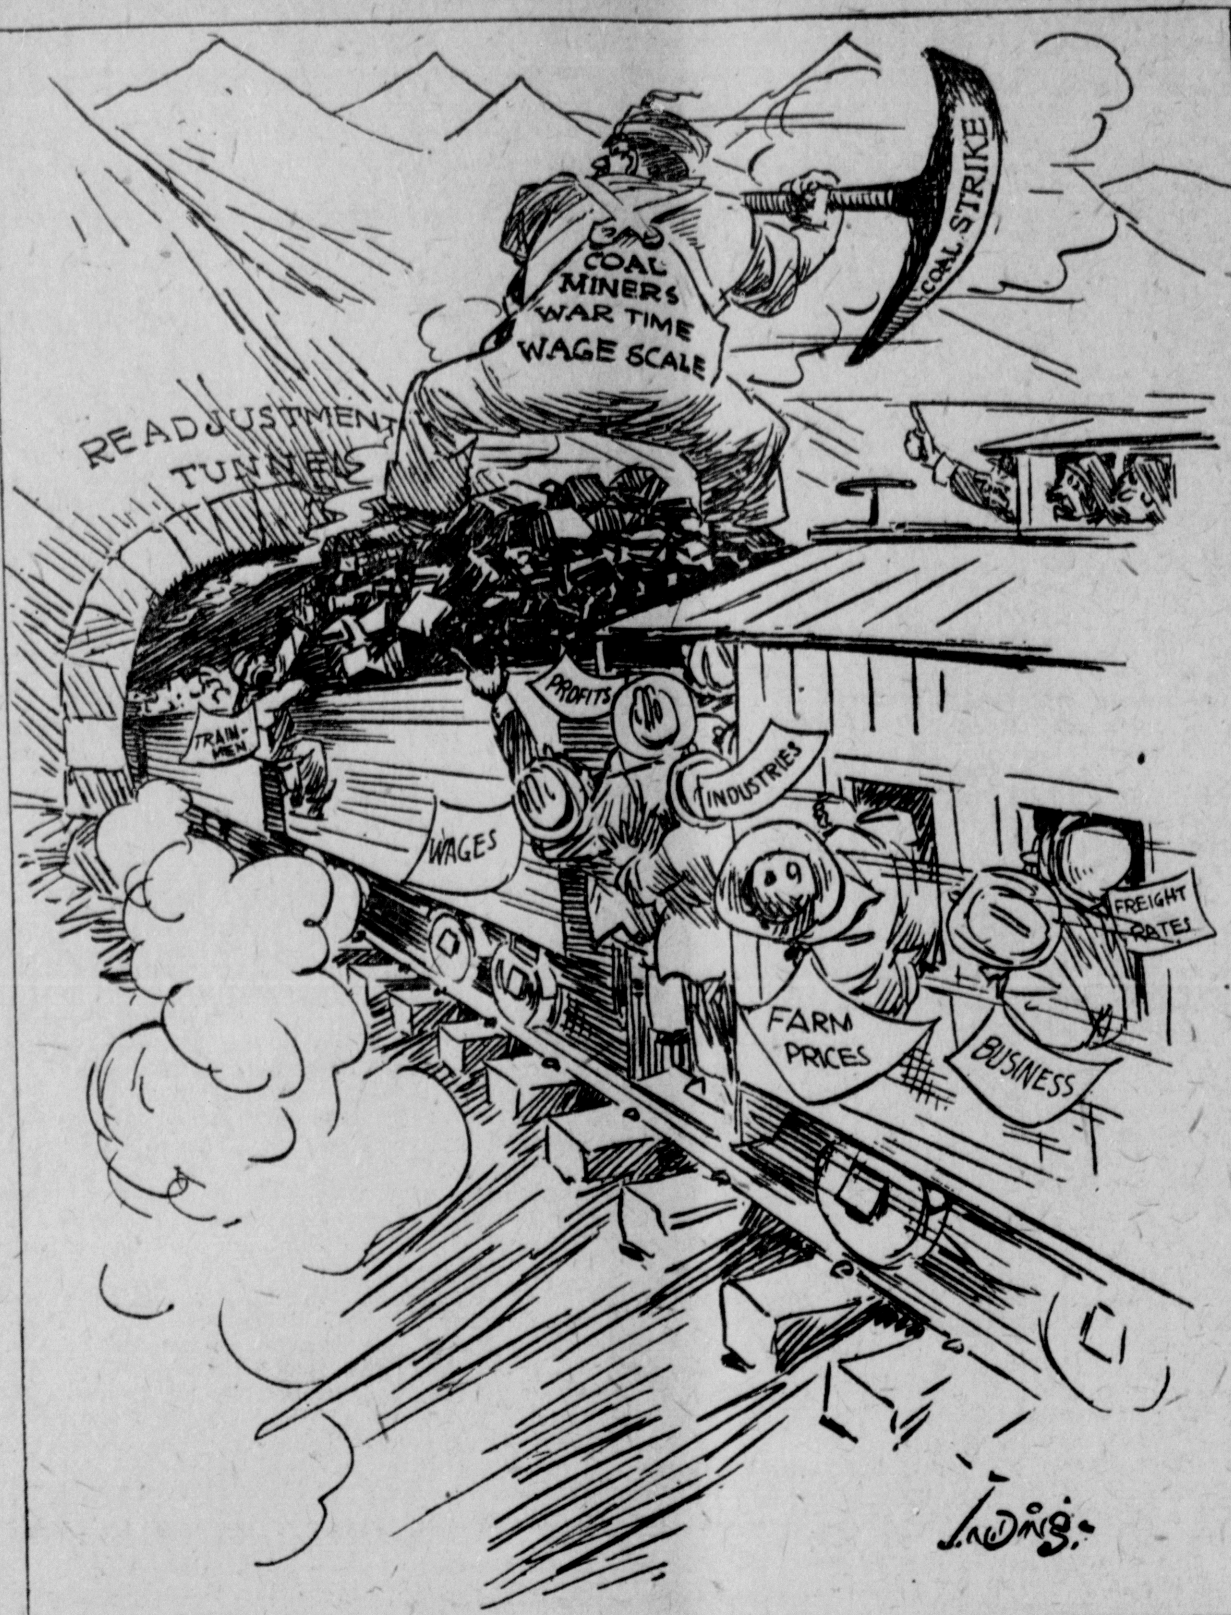

The doctor will not get very far with that idea. A law to enforce it would be violated so much that the Volstead act would hide its head in shame.

MAN IS ARRESTED IN BELLBROOK ON SHOOTING CHARGE

Mrs. Lilly Smith, 42, and her son, Harold Kuntz, 14, of Dayton, are in Miami Valley hospital in critical conditions and George Elmer Smith, husband of the woman, is locked up by Dayton police, following a shooting which occurred at the residence of the Smiths, 2348 East Fifth street, Dayton, Thursday evening.

Smith escaped after an automobile bearing police rushing to the scene collided with a car driven by Oda Johnson, Dayton, at Fifth street and Linden avenue, but was arrested later at the home of his half-brother, Hoe Meyer, in Bellbrook. The arrest was made shortly after two o'clock, Friday morning, by Inspector S. E. Yendes, Detectives Dunlevy and Cusick and Patrolmen Wollenhaupt and Sloan of the Dayton department.

Smith is alleged to have been drunk at the time of the shooting. His wife forced him to leave her several days ago, it is said, because he was drunk, and he returned, Thursday night intoxicated. Lurching through the door, he drew the revolver and fired one bullet entering her left side and another striking below her left arm. She is not expected to live. The boy was shot twice, one bullet tearing the right eye from its socket and the other entering the right arm.

Smith is alleged to have threatened to do the shooting in conversation with his son. Thursday noon he was taken to police headquarters, where

SHE IS "FULL OF PEP" THEY SAY

She is Good-Looking and Gay and is Always Ready for a Good Time

Why is a girl popular? Look around and see what a good time she good-looking ones have all the time. Men seek them out and ask them to parties, dances and entertainments. And notice that it is not the doll-face type real men like most, but the red-blooded girl with "pep" and happy good nature. Any girl who is tired and languid and has a poor complexion and dull eyes can improve her condition and be far happier if she will simply take Gude's Pepto-Mangan until she has put her blood into good condition. Red blood means "full of life" and "full of life" usually means happiness.

Try Gude's Pepto-Mangan and see how much better you feel. Doctors have used it nearly thirty years for weak, run-down people. It helps them get well. Sold in both liquid and tablet form.

POTTER'S FIELD.

Oh, here are rows and rows of graves, the cheapest graves you ever saw; the beds of futile, foolish knaves who thought that they could beat the law. When they are planted no one sighs, no hymns are sung, no prayers are said; no mourners bend with weeping eyes above the couches of these dead. From workhouse wards and jails they come in wagons destitute of plumes, from every corner of the slum, to sleep in bargain counter tombs. The sextons shovel in the clay, and from the boneyard then withdraw; this is the end of those who say that they can surely beat the law. The criminal may think at times that he is not a total loss and he may plan all sorts of crimes and seem to put the same across; but Justice eyes him every day, and always keeps him in her mind; and though he hopes along his way, the law is never far behind. Few criminals live out their days in comfort such as good men know, who walk in sane and godly ways, observing statutes as they go. Few crooks pass out on beds of ease, with high priced docs and nurses near; they render up their final wheeze behind a wall, beneath a pier. In some dark jail their doom is sealed, with no one near to heave a weep, and then they reach the Potter's Field where cheaper grades of dead men sleep.

CHURCH NOTICES

PRESBYTERIAN CHURCH

Market and King streets. Invest an hour for the good of Xenia. Life from one standpoint is merely the investment of influence. What institutions do you as an individual wish supported? If you believe newspapers are worth while you support them. If you care to have them in Xenia you patronize them. And its the same with churches. None of these can continue without support. The churches in Xenia need you. Ever think of that? Xenia is a better place to live in because the churches are here. Invest an hour tomorrow. Come to this church, if you have no choice. We will give you a helpful service. Morning subject, "The Church and the Community." Evening Subject, "Stir Up the Fire." C. E. 6:00. Sunday School 9:15. Wm. H. Tilford, Pastor.

CHURCH OF THE NAZARENE

231 Detroit St. The Lord has been blessing in the revival services during the week. Rev. Chilton preached a powerful message Wednesday evening from the text, Matt. 3-11, "He shall baptize you with the Holy Ghost." He said in part: "The Holy Ghost not only empowers us for service, but He purifies, illuminates and unifies." At the close of this message three responded to the call and prayed through. Sunday services are as follows: Sunday School 9:30 a. m. L. F. Drake, Supt. Preaching 10:45 a. m. and 7:30 p. m. Bro. Chilton will preach Sunday morning and evening. There will be special singing. The public is cordially invited to all these services. Come and we will do thee good. Frank Watkin, Pastor.

FIRST LUTHERAN CHURCH

West Main Street. B. B. Uhl, pastor, 320 W. Main. Services for the 4th Sunday after Epiphany, Jan. 29. Divine worship at 10:30 a. m. The morning message will be based upon the gospel according to St. Matthew, 8:23-27, "Jesus with His Disciples on the Sea." At the vesper service at 7 o'clock the pastor will continue the discourses on the Parable of the Ten Virgins. Sunday School 9:15 a. m. Ed. Voorhees, Supt. Luther League devotional service 6:15 p. m. A cordial welcome to the public at all these services. Bring a friend with you.

FIRST REFORMED CHURCH

The Four Square Adult Bible Class Contest is on for all its worth. Come and join us in the increase of attendance, new members and Bible study. The sessions of the school at 9:15 a. m. Come and meet some men whom you would be glad to have among your friends. Morning worship and sermon at 10:30 a. m. Topic of sermon, "The Great Divide."

The Congregation unites with the First Baptist, First U. P., Trinity M. E. in the continuation of the Revival services at Trinity M. E. at 7:00 p. m. Sunday night and 7:30 p. m. each week night including Friday. There will be special music at all these services. Here is your opportunity to win souls for God.

SECOND U. P. CHURCH

West Market at West Street. Charles P. Proudft, pastor. Preaching at 10:30 a. m. and 7 p. m. by the pastor. Morning topic, "Eleventh Exposition of First Peter." Evening "The Jealousy of God." Have you ever thought about what this means? Come and study it. Bible School at 9:30 a. m. This school is making a fine record in the Four Square Greene County contest. Keep it up Teachers and scholars. Young people meet at 6 p. m. just before evening preaching.

WEST END CHURCH

Corner of Orange and Bellbrook. The Bible School at 2:30 p. m. will study the lesson, "Elijah in Naboth's Vineyard," and you will be greatly interested in this whatever your age. Come and get acquainted. Hardly a day without new pupils.

CHRISTIAN SCIENCE SOCIETY

127 East Second Street. Sunday services 10:45 a. m. subject, "Love." Sunday School to which children up to the age of twenty years are admitted at 9:30 a. m. Wednesday evening testimonial meeting 7:30. The reading room is open Monday, Wednesday and Saturday except on legal holidays from 1:30 to 4:30 p. m. To each of these services and to the reading.

room the public is cordially invited.

CHURCH OF GOD.

Sunday School 9:15. preaching 10:30, subject, Acts 20:28 Preaching 7 p. m., Salvation demonstrated with chemicals and fire. Come and hear about "The Old Time Religion."

FRIENDS CHURCH

The main auditorium of our church is now being redecorated and will probably not be available for the Sabbath services. But do not fail to come on that account as we will be able to accommodate all by the following arrangements. The primary department of the Bible School will meet as usual in the lower room at 9:30. The classes that usually meet in the upper room are asked not to come until 10:15 when they will have a short session in the lower room followed by the meeting for worship. Do not fail to be on hand. Christian Endeavor 6:00. Evangelistic service 7:00. Prayer meeting Wednesday evening 7:00. We extend a cordial invitation to all our services. Do not forget to go to the market.

the Ladies Aid Saturday at Gerner's meat market.

TRINITY METHODIST

A hearty invitation is extended, and a most cordial welcome is assured you at the services of this home-like church. Sunday School 9:15 a. m. A stirring hour and you should get into it. At 10:30 public worship with sermon by the pastor V. F. Brown Theme: "Some Lessons in Soul-Saving from the Life of Paul." At 7 p. m. the group evangelistic services will be held. The 1st United Presbyterian, 1st Reformed, Baptist and Trinity uniting. The pastor will preach. Theme: "Utterances from the Cross." Good music at all services. Evangelistic services in this church every evening the coming week at 7:30 conducted by the group of churches. This is the closing week and the interest is deepening. Come if you can to every service and bring some friends with you.

ROADS OF COUNTY IN GOOD SHAPE REPORTS INDICATE

Motorists and others using Greene County roads, with a thought of conditions a year ago, are thankful for good roads this winter.

The local road system is in good condition for this time of the year and especially in good shape compared with the conditions a year ago, when the roads became almost impassable.

An open winter, with frequent rainfall took the bottom out of many Greene County roads during last winter, and the weather was never cold enough to keep them frozen firm and solid. Before the winter was over several roads presented a sea of mud for travelers.

According to the county engineers the roads have been much more fortunate this year. Recently when several days' rainfall prevailed, the good condition of the roads was threatened, but colder weather immediately saved them from a condition similar to last year.

LEGION OPPOSED TO KLAN LOCAL COMMANDER SAYS

In recognition of the fact that the American Legion of Ohio, at its state convention in Toledo, passed a resolution denouncing the Ku Klux Klan, Commander Jacob C. of Joseph P. Foody Post, No. 95, issued the following statement Thursday:

"The American Legion, at its state convention expressed itself strongly against the organization called the Ku Klux Klan and this is a guide for other Legion posts in Ohio. Regarding the action I can only present the resolution as furnished me by State Commander Darlington, as follows:

"Whereas, there is prevalent in the State and Nation, agitation designed for the betterment or detriment of certain individual classes designed and recognized by the propaganda as being racial, religious and color classes, and

"Whereas, such propaganda and organization is in violation of American ideals and the ideals for which the American Legion stands,

"Therefore, be it resolved, by this convention assembled, that we do hereby condemn and protest any action, organization, propaganda and particularly the Ku Klux Klan, organized for the purpose of discriminating against individuals or classes by reason of their race, religion or color under the guise of one hundred per cent Americanism or any other guise, and we do hereby authorize a copy of this resolution to be forwarded by the Adjutant to the Governor of the State of Ohio and to the President of the United States."

HOPES ARE BLASTED

Defiance, Jan. 27.—Hopes of Defiance women for the appointment of a lady cop to keep a watchful eye on the city's youth went glimmering when the hard-headed business men who compose the city council voted a \$11,000 reduction in the budget for the first six months of 1922.

Not only is it probable that the police woman will never be appointed, in response to a recent petition of citizens, but two other members of the force of five are expected to lose their jobs on April first, as an economy measure. The total city appropriation authorized is \$50,590, 10.

TO GIVE AUSTRIA LOAN

London, Jan. 27.—Great Britain has consented to advance a loan of 2,500,000 pounds sterling, normally \$12,150,000, to Austria on condition that it is expended under British supervision, it was learned at the treasury department. If the loan is finally negotiated Austria will be the first of the enemy powers to secure money from any allied nation.

MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry,
Avoid Exposure and
Eat Less Meat

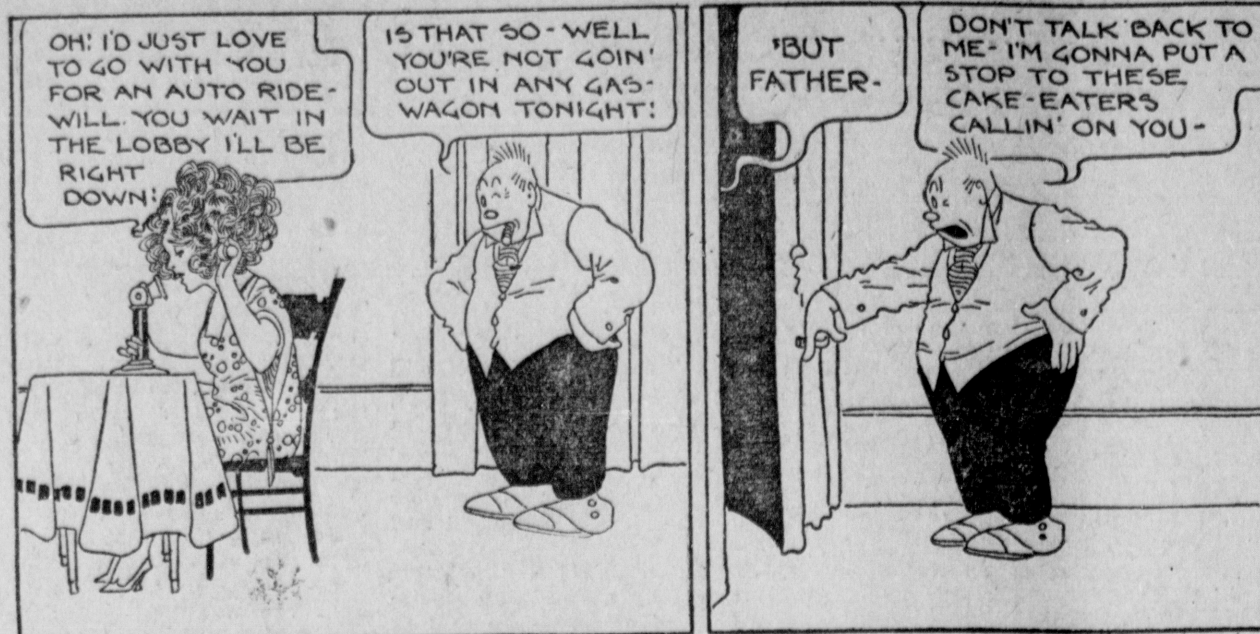

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

CENTRAL HIGH TO MEET FIVE FROM O. S. & S. O. HOME

Probably for the first time in the history of athletic activities at Central High School, a representative team from the school will play the Ohio Soldiers' and Sailors' Orphans' Home High School team.

The game will feature the program of a three-game set-to, to be staged on the Rink floor, this city next Tuesday night. The first game will be played between the O. S. and S. O. Home Orioles and St. Brigid's Cadets, while the second game will be played between the Home High School second team and the Central High second team.

Major Edgar Hellar, who is charge of athletics at the state institution, is striving hard to put the Home High School varsity on a sound financial basis, this season, with a view to getting better and more important games. He is also keeping his team a strictly high school combination with hopes of breaking into the Ohio High School Athletics Association. It is hoped that the games, next Tuesday, will raise considerable money for the Home athletic fund, as the expense will be small, will promote better relations, athletically speaking, between the two schools, and add prestige to the Home schedule. A number of fans from this city are expecting to attend.

WILL HAVE NO SHOW

Bucyrus, Jan. 27.—There will be no automobile show here this spring. The Crawford County Automotive Trades Association decided that the money market is too stringent to permit giving a profitable show.

WANT TO CONFER

Oberlin, Jan. 27.—Request that a curfew ordinance be passed by city council has been made by local W. C. T. U. members.

BEAUTY CHATS

HOME FANCY WORK

There was never a time when a woman could make so many pretty things for herself with little expense or trouble. Old-fashioned fancy work was frequently very complicated and took a great deal of time and skill, but nowadays most effective dress accessories can be turned out with little trouble.

You would probably find that a snug little sports cap and scarf would be just the thing to wear this winter or next spring, to make an old suit look new and attractive. You should make

beads will bring up an old cloth dress. If you can embroider, coarse artificial silk will make effective patterns on dresses, waists or sweaters.

Miss J. K.—If you do not see any improvement in your complexion after taking the yeast cakes for several weeks, do not continue with them. Your pimples may be caused by some condition which is not corrected by the yeast. However, if you continue to eat improperly, even though you take the yeast, you cannot expect to be cured of this outbreak on the skin. Consult the doctor if these simple things at home do not relieve your condition.

B. J.—The use of cream is determined by the condition of the skin. If your skin is firm and finely grained without the use of cream, do not use it—but there are few skins that are not improved without a moderate use of some cream. In the case of older women, the oils in the system are being absorbed and the skin would show this if the loss was not provided for through this use of a good cream. Tomorrow—Temptations.

TO HOLD INITIATION ON JANUARY 31

The members of Obedient Council, No. 160, Daughters of America, will hold a class initiation and union meeting, Jan. 31, when thirty candidates will be received into the order. Inspection will follow the initiation.

The National Council and State Council and several other high officials will be present, besides visitors from Cincinnati, Columbus, Dayton, Springfield, Washington C. H. The members of Obedient Council, extends a cordial invitation to all Daughters of America, to attend this meeting.

HOB0 ARMY ARRIVES

Athens, Jan. 27.—Athens is up in arms because of the hobo army which is invading this municipality. For several years, scarcely a tramp "made" Athens. Householders all over the city now almost daily report thefts of clothing, milk and food. Several residences have been entered.

Woman and children on the streets at night have been annoyed and extra police will be placed on duty for the remainder of the winter and spring. Many knights of the road ask to be locked in the city prison at night and a score of them are thus accommodated nightly.

HELEN HUNTER'S HUSBAND

BY JANE PHELPS

AN EVENING ALONE—FOR JACK CHAPTER 24

Helen had been so astonished at Jack's outburst that she was dumb for a moment. He would "get out," if she didn't cook his dinners—"go home!" If he wanted a cook he should have married one, the old plea with women like Helen, and not a girl fond of life, young, and good-looking. As soon as she recovered from her surprise she told him so.

"Perhaps you're right!" he said, provokingly cool.

"I know I am right. Mother always said I was intended to be a lady, that I wasn't the kind to do menial work."

"I guess mother knew her daughter," Jack spoke sarcastically.

"And if you think I am going to slave in your kitchen you are mistaken," Helen added with heat.

"No one—that is, no one in their senses would ever expect you to slave anywhere," Jack returned, turning to his work.

"Then I hope you have your senses about you, because if you haven't you are bound to be disappointed."

"See here, Helen, don't you think we have carried this about for two whole days, God knows what about, I'm sure I don't! I suppose you are angry because when I came home and found you still in bed I went around the corner and got something to eat. After the party you gave, the money it cost, I think, to say the least, you would have the decency to provide something for your husband to eat. You provided liberally enough for your guests."

"How you talk! I provide all I can."

"For others, yes. Now, don't talk to me any more this work has to be done, or no money." He bent over his task.

Helen fussed about the room for a while, then left him alone. He heard her moving about restlessly, and called.

"Do get a book and sit down and

read Helen."

"I don't want to read. I'm going to that picture you wouldn't take me to last night. The Laytons have a friend spending the evening and they asked us to go—I told her I would let them know."

So that was the cause of her restlessness.

"You know I can't go—and—"

"Oh, I told her you would rather stay at home and moon over a lot of figures than to go out. They can't understand, none of my friends can, how you can be so selfish, never taking me anywhere. They insisted I go any way. Mr. Barnes is a wonderful dancer and we will go somewhere for supper and dance."

"Mr.—who?"

"Mr. Barnes?"

"Oh—so their friend is a man?"

"Yes."

"Well, have a good time, dear, and don't flirt with the poor fellow more than you can help. Don't be too late, will you?"

Rather surprised by Jack's acquiescent spirit, Helen answered more pleasantly than she had spoken:

"I'll have to come when the rest do, but I don't imagine we will be very late."

"Very well, run along now and let me work."

Helen looked very sweet when she next appeared. The dress she had bought because of the bridge club, the pretty hat that set so jauntily on her fluffy hair, her trim feet and well-gloved hands all spoke of refinement and good taste. Jack felt a thrill of pride as he looked at her.

"She's mine!" he thought. "Mine!"

"Will I do?" she asked, with something of her old manner.

"You better believe you will!" he replied heartily.

"Don't work too hard," she dropped a light kiss on his hair. The first caress she had given him for days.

"I'll have to work harder if my wife is to be kept looking as stylish

as she does tonight." He drew her head down and kissed her lips. "Remember what I say, and don't break that fellow's heart. And try and get home early. I need my rest if I am ever to get on."

"By-by!" was the only reply Helen made.

Jack sighed once, heavily, then bent to his work.

BORINGS DEFEAT DAYTON TEAM

The Xenia Borings had an easy time of it Wednesday night defeating the West Side Merchants of Dayton, at the Rink, the score at the final whistle being 28 to 13 in favor of the locals.

In the preliminary game the Borings Juniors defeated the Xenia Pirates. Julius Solowitz did not play with the Borings Wednesday night, but helped the Dayton Cadets defeat the Kenton Reds at Kenton.

IS FATALLY BURNED

Cincinnati, Jan. 27.—Ignited dust exploded in the M. B. Farrin Lumber company plant on Spring Grove Avenue yesterday, partially wrecking the building and fatally burning Jonah Ingram, 30, engineer, and severely burning William A. White, vice president. Many buildings in the vicinity of the plant were rocked violently and much damage was done to windows.
